

PIG® Pour-Through Oily Water Filter

FLT521 Absorbs up to 125 L, 61cm x 99cm, 1 each

Pour-through filters use PIG® Oil-Only Pillows and gravity for easy separation of oil from water.

- Unit separates oil from water through gravity; simply pour liquid into the filter and filtered water flows out of drain
- Replaceable PIG Oil-Only Absorbent Pillows are easy to change and can be rotated for maximum life
- 210-litre Drum Filter handles filtration of up to 30-litres of liquid per minute
- Durable polyethylene drum won't rust or corrode
- Outflow pipe accepts hose connection for easy draining of filtered water
