

PIG® PR100 Disposable Polishing & Wiping Cloths

WIP950 Flat Sheet, 36cm x 46cm, 300 wipes

For fine surfaces. Ideal for no-scratch removal of particles after milling parts or before painting.

- Perfect for no-scratch removal of wax, polishing compound, fingerprints and smudges from surfaces, or for prepping products for painting
- Rayon/poly blend stands up to harsh sanitizers, degreasers, cleaners and solvents
- Highly absorbent and textured cloth pulls contaminants away from parts and surfaces whilst soaking up liquids
- Durable construction can be rinsed and reused for long life and less frequent replacement
- Flat pack dispenser lets you take just one wipe at a time whilst keeping remaining stock clean and dry
- Industrial wipes with true industrial strength, rated for “ultra-duty”
- Won’t shed, pill or leave unwanted fibres when wiping rough or abrasive parts
- Binder-free construction withstands solvents, degreasers or cleaning agents
- Want to try out a new wipes? Your satisfaction is always guaranteed with the PIG Promise... try a case risk-free!
