

PIG® Roll Top Hardcover

PAK601 Holds (2) 210 ltr. Drums, 250 L Sump Capacity, 2041 kg Load Capacity

Load your drums into our roomy roll top hardcovers for all-weather protection and liquid containment. You don't even have to remove pumps and funnels!

- Roll top slides up for easy access to drum tops whilst the rest of the unit stays closed; store drums with pumps or funnels in place
- Low-profile pallet with sump catches leaks, drips and spills whilst keeping drum tops and accessories within reach
- Weather-resistant design prevents contaminants from entering stormwater
- Heavy-duty construction allows hardcover and pallet to be lifted by a forklift with drums in place
- Low-density polyethylene (LDPE) with UV inhibitors resists UV rays, rust, corrosion and most chemicals for long, trouble-free life
- Ergonomically designed roll top only goes down to waist height to eliminate bending and reaching
- Doors and roll top can be secured with a padlock (sold separately)
- Durable swing-out doors on front for easy loading and unloading
