

PIG® Sheen Clean® Oil-Only Absorbent Pillow

SKM602 41cm x 43cm x 4.4cm, Absorbs up to 37.9 L per box, 10 pillows

Proprietary filler cleans up waterborne spills entirely, even the thin, oily residue that's often left behind.

- Proprietary filler blends high-capacity recycled cellulose with a copolymer that pulls in thin, filmy sheens of oil
- Ideal for long-term deployment to remove sheen after oil-based spills or absorb oil residue in retention ponds, catch basins, tanks and more
- Spunbond polypropylene skin is UV resistant up to 12 months; meets ANSI and MIL spec standards for static decay
- Floats to clean up spills on water confined by booms or socks
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white colour makes pillows easier to see in outdoor environments and clearly shows saturation level
- Can be incinerated after use to reduce waste or for fuels blending
- NOTE: Not recommended for use with acids, caustics or other corrosive liquids
