

PIG® Single Drum Pallet Roll Top Hardcover

PAK150 Holds (1) 210 ltr. Drum, 231 L Sump Capacity, 363 kg Load Capacity

Load your drums into our roomy roll top hardcovers for all-weather protection and liquid containment. You don't even have to remove pumps and funnels!

- Three-piece design provides protected storage and liquid containment for a frequently accessed drum
- Simply load drum onto pallet, drop sleeve into place over drum and attach roll top cover; no heavy lifting required
- Extra high and extra wide design allows drum to be stored with a pump or funnel in place
- Heavy-duty bottom poly pallet is ideal for capturing leaks, drips and spills
- Weather-resistant design prevents contaminants from entering storm water
- Low-density polyethylene (LDPE) with UV inhibitors resists UV rays, rust, corrosion and most chemicals
- Forklift pockets in pallet allow unit to be moved easily
- Roll top can be secured with a padlock (sold separately)
- Available with or without bottom drain
