

PIG® Soft-Top Spill Pallet Cover

PAK6001

Protect your containment pallets from the weather with this soft-top cover.

- Fits your existing containment pallet (PAK672 and PAK735) for added protection from the elements
- Extra-high and extra-wide design allows drums and IBCs to be stored with pumps or funnels in place
- Zipper doors on front and rear allow easy access from both sides
- Hook and loop closures on the doors and sidewalls allow doors to stay open when loading and unloading drums
- 18 oz. vinyl-coated fabric with UV inhibitors resists UV rays, rust, corrosion and most chemicals
