

PIG® Spring-Open Roof Leak Diverter Kit

TLS752 76cm

Go from storage bag to fully functioning leak diverter in less than two minutes!

- Coiled diverter springs open for hassle-free installation in under two minutes
- Rigid outer rim holds diverter open for easy handling
- Straps, hooks and clamps can be adjusted in seconds; just nudge your diverter until it's centered and leveled, even if hanging points are uneven
- All diverter components are pre-attached for speedy setup; flexible PVC drainage hose (included) clicks into place with pre-installed quick-connect adapter
- Hangs easily in problem spots to catch nuisance leaks and channel them to a floor drain or collection container
- Non-permeable tarp is vinyl coated for strength and durability; resists punctures, UV and mildew for long product life
- Conical shape helps funnel liquid toward center for better drainage; clear colour helps monitor debris and liquid flow
- Flow rate of 12.6ltrs per minute when used with supplied 1/2" ID hose
- Ready-to-use right out of the convenient storage bag

Item#	Description	Dimensions	Weight
