

PIG® Stat-Mat® Absorbent Bib

MAT4430 Lightweight, 13cm x 22cm, 10 pads

Catch drips and splashes safely while filling your fuel tank by placing this anti-static absorbent bib around the fill opening.

– Keep your tank and ground clean by catching drips and splashes with this bib that's made to fit around fill openings
– Fits over a wide variety of fill openings; works with openings from 1.9cm (3/4") to 7.6cm (3") diameter
– Pad is easily removable to prevent damage to surrounding areas and for fast, easy cleanup
– Absorbs and retains oils and fuels, including acetone, benzene, petrol, toluene, xylene, mineral spirits and jet fuels; repels water without absorbing it
– Stat-Mat material reduces the risk of electrostatic discharge, a critical precaution around flammable liquids and vapours
– Packaged in a special static-dissipative bag to help reduce static-charge buildup
– Area around fill neck must be cool before placing mat
