

PIG® Super Pillows

PIL205 20cm x 51cm x 3.8cm, Absorbs up to 53 L per box, 14 pillows

Stitch-bonded skin makes these pillows tough enough to go through a wringer. Soak up big leaks and spills, then reclaim the liquids!

- Extra-tough, stitch-bonded polypropylene skin resists bursting for use with a wringer or other demanding applications
- Pillow has large surface area, high capacity and fast-wicking filler to quickly soak up liquids
- Cellulose filler is highly absorbent for long-term use or big spill cleanup
- Compact design is great for catching persistent drips and leaks in small spaces or adding absorbency for spill response
- Absorbs and retains oils, coolants, solvents and water; not recommended for acids, caustics or other corrosive liquids
- Wringable for reclaiming absorbed liquid
- Recycled content is ideal when green products are desired or required
- Can be incinerated after use to reduce waste or for fuels blending

Specifications

Colour	Grey
Dimensions	20cm W x 51cm L x 3.8cm H
