

PIG® Tanker ADR Spill Kit

KITE425 Absorbs up to 25.7 L, 1 each

This Spill Kit is designed to fit onto your vehicles and trailers used for transporting liquids. Provides peace of mind for speedy response to leaks & spills, whilst helping your compliance with ADR Regulations.

- Container is manufactured from polyethylene making it lightweight and durable with a high chemical and impact resistance
- Waterproof seal on container lid protects your absorbent spill kit from the weather
- Easy fitment to your vehicle cab or trailer using the included fixing brackets & kit
- Contains our Disposable Drain Seal to protect any surface drains in the spill area - a requirement of the ADR Regulations
- Packed with PIG® absorbents to soak up leaks and spills of oils and fuels, but no water
