

# PIG® Universal Mat

MAT135 Lightweight, 38cm x 51cm, 200 pads

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes it easy to take, carry and store your mat whilst protecting it from dirt and moisture
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
- Light-weight construction is ideal for small tasks and cleanups

## Specifications

Colour	Grey
Dimensions	38cm W x 51cm L
Mat Weight	Lightweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% or more Recycled Content
Absorbency	Up to 83.6 L per box
