

## PIG® Universal Mat

MAT230 Heavyweight, 76cm x 46m, 1 roll

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

### Specifications

Colour	Grey
Dimensions	76cm W x 46m L
Mat Weight	Heavyweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% or more Recycled Content
Absorbency	Up to 152.4 L per bag
Perforated	Perforated Every 25cm Lengthwise & Centred Widthwise

<b>Sold as</b>	1 roll per bag
<b>Weight</b>	16.8 kg
<b># per Pallet</b>	12
<b>Composition</b>	100% Polypropylene
<b>Packaging</b>	Bag
<b>Poly-Backing</b>	No
<b>UV Resistant</b>	No
