

PIG® Universal Mat

MAT231 Heavyweight, 38cm x 51cm, 50 pads

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Colour

Grey

Dimensions

38cm W x 51cm L

Mat Weight

Heavyweight

Fluids Absorbed

Oils, Coolants, Solvents & Water

| | |
|-------------------------|----------------------------------|
| Recycled Content | 25% or more Recycled Content |
| Absorbency | Up to 41.8 L per bag |
| Perforated | Perforated down centre Widthwise |
| Sold as | 50 pads per bag |
| Weight | 3.63 kg |
| # per Pallet | 72 |
| Composition | 100% Polypropylene |
| Packaging | Bag |
| Poly-Backing | No |
| UV Resistant | No |
