

# PIG® Universal Mat

MAT246 Lightweight, 38cm x 91m, 2 rolls

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Light-weight construction is ideal for small tasks and cleanups

| | |
|---|---|
| **Colour** | Grey |
| **Dimensions** | 38cm W x 91m L |
| **Mat Weight** | Lightweight |
| **Fluids Absorbed** | Oils, Coolants, Solvents & Water |

| | |
|---|---|
| **Recycled Content** | 25% or more Recycled Content |
| **Absorbency** | Up to 152.4 L per bag |
| **Perforated** | Perforated Every 25cm Lengthwise |
| **Sold as** | 2 rolls per bag |
| **Weight** | 17.69 kg |
| **# per Pallet** | 12 |
| **Composition** | 100% Polypropylene |
| **Packaging** | Bag |
| **Poly-Backing** | No |
| **UV Resistant** | No |
