

PIG® Universal Mat

MAT263 Mediumweight, 38cm x 61m, 2 rolls

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

– Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
– Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
– Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
– Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
– Absorbs and retains oils, coolants, solvents and water
– Dark grey colour hides grime so mat stays on the job longer
– Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
– Can be wrung out and incinerated after use to reduce waste or for fuels blending
– Rolls are ideal for covering large areas and soaking up leaks and overspray
– Easy-tear perforations let you take only what you need, so you use less mat and save money
– Medium-weight construction offers great performance for everyday tasks and cleanups

Colour	Grey
Dimensions	38cm W x 61m L
Mat Weight	Mediumweight
Fluids Absorbed	Oils, Coolants, Solvents & Water

Recycled Content	25% or more Recycled Content
Absorbency	Up to 161 L per bag
Perforated	Perforated Every 25cm Lengthwise
Sold as	2 rolls per bag
Weight	14.5 kg
# per Pallet	12
Composition	100% Polypropylene
Packaging	Bag
Poly-Backing	No
UV Resistant	No
