

PIG® Water Absorbent Mat Roll

WTR008 Lightweight, 76cm x 46m, 1 roll

The ONE mat to keep in stock for water clean-up caused by wet weather, ceiling leaks, pipe bursts, cleanouts, washdowns, maintenance or other water spills.

- Mat roll absorbs 159 litres and can be used to quickly clean up spills, puddles and leaks from wet weather; dispenser box makes it easy to carry and store your mat
- Designed and engineered to pull in large volumes of water on contact; superfast wicking helps you quickly eliminate pools and puddles to prevent damage and injuries
- Wring and re-use during a single water spill clean-up, then dispose; wringable mats mean less hassle, less waste and more savings
- The best mat to have on hand when heavy rains, snow or ice intrude your facility; soaks up water that comes in through open windows, porous footers, cracked foundations, roof leaks and seepage under doors
- Helps you deal with water from cleanouts, system breakdowns, burst or leaking pipes, broken hoses, leaking hot water tanks or malfunctioning equipment
- Soaks up excess washdown water in food service, food processing and other critical areas
- Use when sump pumps or wet-vacs are not necessary or available; creates less waste than wipes or loose absorbents
- Cleaner, more efficient method than dirty mops, rags and towels, which can recontaminate floors by spreading bacteria, mould and odours
- Tough, spunbond top layer holds mat together when it’s fully saturated, so it won’t rip or fall apart when you pick it up
- Easy-tear perforations let you take only what you need, so you use fewer mats and save money
- Made with 60% pre-consumer recycled cellulose

Colour	Blue/White
Dimensions	76cm W x 46m L
Mat Weight	Lightweight
Fluids Absorbed	Water-Based Liquids Only
Recycled Content	60% Pre-Consumer Recycled Cellulose
Absorbency	Up to 162.4 L per roll
Perforated	Perforated Every 48cm Lengthwise & Centred Widthwise
Sold as	1 roll
Weight	14.53 kg
New Pig Patent	8,182,927
# per Pallet	8
Composition	Top Layer - Polypropylene; Bottom Layer - Natural & Recycled Fibre Blend
Packaging	Bag
Poly-Backing	No
UV Resistant	No
