

PIG® Water-Absorbing Sock

PIG233 8cm x 122cm, Absorbs up to 228 L per box, 40 socks

If you only need to absorb water-based liquids, this sock's for you. Super-absorbent filler pulls in up to 5.7-litres per sock!

- Nobody knows more about socks than New Pig - we invented them!
- Super Absorbent Polymer (SAP) technology locks liquids inside sock to avoid additional leakage; saves time and money in cleanup efforts
- Ideal for use with water-caustic, non-aggressive liquids
- Great choice for absorbing cutting fluids and surrounding grinding machines
- Highly absorbent and fast-wicking socks absorb up to 5.7-litres each
- Not for use with acids, caustics or aggressive fluids
