

# PIG® Water-Absorbing Spill Kit in See-Thru Bag

KIT914 Absorbs up to 28.4 L, 1 each

This spill kit for absorbing water keeps you ready for quick response to water clean up due to heavy rains and floods that leak into your workplace.

- Help protect your assets and inventory from costly water damage
- Keep floors dry and safe to eliminate slips and falls
- Kit is packed with our best absorbents for soaking up water: use Super Water-Absorbing Socks for blocking and diverting and PIG Water Absorbent Mat Pads to clean up big leaks and puddles
- Wring and re-use PIG Water Absorbent Mat Pads during a single water spill clean-up, then dispose; wringable mats mean less hassle, less waste and more savings
- Compact kit with zipper closure takes up little storage space
- Transparent bag lets you check supply levels at a glance while keeping contents clean and dry
- Used absorbents, when saturated with only water, can be disposed of into regular waste streams, no special or hazardous disposal required
- Only PIG Spill Kits feature PIG Absorbents proven for rapid response"
