Plant Nappy® Liner

RFLE702 137cm x 200cm, 1 each

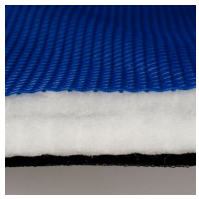

The Plant Nappy Liner is a useful addition to complement and extend the life of the Plant Nappy.

– Liner fits snugly onto the Plant Nappy base
– Easily removed for cleaning or replacement
– UV-resistant design has a non-permeable base and a tough top cover for prolonged efficient service
– To clean, simply remove the liner from the Plant Nappy, squeeze the oil into a suitable receptacle and reinstall; a pair of rollers, such as a mangle, is ideal for this procedure
