

Plant Nappy PlantMat Pad

FLTE710 44cm x 62.5cm, 1 pad

The most cost-effective polymer technology available on the market, PlantMat instantly begins turning oils and fuels into a solid mass. Ideal for mobile or remote tasks.

- Introducing Soliditex® Technology to offer superior performance by locking oils and fuels in place, offering exceptional oil retention with no leaching
- Purpose made polymers that not only turn fuels and oils into a solid mass, but effectively offers horizontal and vertical wicking for lightning fast reaction times
- Clean water is allowed to escape with as little as 2.6ppm total hydrocarbons (when used with PlantNappy)
- Ideal for mobile or remote tasks: operatives who work from vans, forest/landscape operatives refuelling, and vehicle/plant service, repair and recovery
- Robust construction with strategically placed loops for easy placing/retrieval of the mat
- Sized to be effective when used independently, or in conjunction with the award winning PlantNappy
- When risk of rainfall or water contact is high, the PlantMat can be placed inside a PlantNappy; by working in conjunction with each other they offer absolute all-weather environmental protection
- This allows unrivalled water filtration through the PlantNappy sidewalls whilst at the same time immobilising oils and fuels
- Patent pending composite means that water doesn't stand static in the substrate preventing oils and fuels from being absorbed
- Hi-Vis colour for easy identification

Specifications

| | |
|-----------------|---------------------------------|
| Colour | Green / Black |
| Dimensions | 44cm W x 62.5cm L |
| Fluids Absorbed | Oil-Based Liquids But Not Water |
| Absorbency | Up to 3 L per bag |
| Perforated | Not Perforated |
| Sold as | 1 pad per bag |

| | |
|--------------|---|
| Weight | 0.73 kg |
| # per Pallet | 360 |
| Composition | Cover: Vinyl Coated PVC Mesh; Base: Woven Polyester, PVC Coated Fabric; Filler: Soliditex® Polymer, Polyester and Polypropylene |
| Packaging | Bag |
| Poly-Backing | Yes |
| UV Resistant | Yes |
