

Poly Tilting Trolley

PAKE359 92cm x 132cm x 62.5cm, 300 L, (2) 12.5cm dia. Swivel w/ Brake & (2) 20cm dia. Fixed Wheels

Use this large capacity Poly Tilting Trolley for collection of waste and recyclable materials, or small parts storage.

- Suitable for the manual transport of recycling material and refuse or to supply goods and auxiliary products in the warehouse or at the work space
- Sturdy construction from one-piece, seamless weather-resistant polyethylene is easy to clean
- Liquid tight and corrosion free makes the trolley ideal for collecting leaky parts and equipment
- Equipped with large, 20cm diameter fixed castors, and 12.5cm diameter lockable swivel castors for easy transportation
- When full, the trolley can be emptied by manually tipping the container over the axle of the large wheels
- A two piece hinged lid is available to custom order (contact us for details)
