Poly Utility Tray

PAK662 61cm x 94cm x 10cm, 51 L Sump Capacity, 1 each

Flat-bottom poly trays are the economical way to store small parts. Great for lining your benches and shelving.

- Light-coloured, flat-bottom design makes it easy to see screws, springs and other small parts
- All-poly construction resists most chemicals; will not rust or corrode
- Rotationally molded spill tray is ideal for applications that would compromise injected or thermoformed trays
- Square modular design allows efficient use of space on bench or shelves for process parts
- Made from FDA-compliant resins for containment of food and cosmetic products
