

Quick Connect Set

TLS680 For Leak Diverters

Save time when connecting a hose to your PIG® Leak Diverter with this Quick Connect Set.

- Install both pieces to your leak diverter and drainage hose for instant connection/disconnection whenever you need it
- Just click ends together to save valuable time during leak situations; much faster than screwing on a hose
- Durable polyethylene resists a variety of chemicals
- Can also be used with any standard-sized garden hose spigot or to connect two hoses
