

Rampmat

FLME214 For Wet Applications, 90cm x 150cm x 14mm

Economical anti-fatigue mat offers superior slip resistance in the workplace.

- Recommended for medium-duty use in wet industrial environments
- Raised surface provides superior slip resistance in wet conditions
- Large drainage holes and raised circular surface provide aeration and allow fluids and debris to fall through, leaving a dry and tidy top surface
- Moulded edges on all four sides are bevelled to prevent tripping on the mat
- Slip resistance R10 according to EN13552

NOTE: Silicone is used in the production process of this mat, and a residue will possibly be left on the surface of the product.
