

Regran Polyethylene Disposal Bags & Ties

BAGE203 Holds 38 ltr., 50 each

Handle and temporarily store hazardous or contaminated waste with a clear conscience. These reliable Poly Bags resist chemicals and puncture to avoid messy or dangerous leakage, and they're recycled to minimise their effect on the environment.

- Manufactured out of high-quality, regranulated polyethylene; recycled content means a "Greener" disposal bag
- Chemical and puncture resistant to ensure maximum reliability
- Includes self-locking ties for quick and secure closure
- Bright yellow colour with black caution message alerts workers for greater safety
