

Rib Mat

FLME415 Not for Chemical Contact, Not for Oil/Grease Contact, 90cm x 10m x 3mm

Put a hard-wearing, slip-resistant mat in predominately dry work areas for safer footing and added insulation. Constructed of ribbed natural rubber, this Mat puts a durable layer between you and cold concrete floors.

- Recommended for medium duty use in dry industrial environments
- Manufactured from natural rubber for hard-wearing durability
- Slip-resistant fluted surface provides extra grip to reduce slip and fall accidents on slippery floors
- Low profile minimises trip hazards
- Length fits ideally alongside assembly lines and work benches or on walkways
- Provides insulation from cold, hard concrete floors
- Roll out on top of workbenches to keep tools and components in place or to prevent damage to fragile parts
