

Rib Mat

FLME416 Not for Chemical Contact, Not for Oil/Grease Contact, 90cm x 100cm x 3mm

Put a hard-wearing, slip-resistant mat in predominately dry work areas for safer footing and added insulation. Constructed of ribbed natural rubber, this Mat puts a durable layer between you and cold concrete floors.

- Recommended for medium duty use in dry industrial environments
- Manufactured from natural rubber for hard-wearing durability
- Slip-resistant fluted surface provides extra grip to reduce slip and fall accidents on slippery floors
- Low profile minimises trip hazards
- Custom length to fit perfectly alongside your assembly lines and work benches or on walkways; simply specify number of linear metres required
- Provides insulation from cold, hard concrete floors
- Place on top of workbenches to keep tools and components in place or to prevent damage to fragile parts

Specifications

Colour	Black
Dimensions	90cm W x 100cm L x 3mm H
Bevelled Edge	No
Grit Surface	No
Modular	No
Safe for Welding Areas	No
Sold as	1 each
Weight	3 kg
Composition	Natural Rubber
Application	Dry Applications
Chemical Contact	Not for Chemical Contact
Oil/Grease Contact	Not for Oil/Grease Contact
Static Dissipative	No
