Ringmat Octomat

FLME450 100cm x 150cm

Extremely tough rubber matting for outdoor use that provides excellent rigidity due to its solid cellular construction.

– Suitable for heavy foot traffic areas, for loose lay placement or recess frames, indoors or outdoors
– Straight edge product design allows the mats to be joined together to cover large areas
– Raised surface design ensures grip in wet conditions while scraping away dirt and debris
– Economical 22mm H rubber duckboard matting, offering comfort and safety
– Straight edges allow mats to be joined in both directions using connectors (sold separately), to cover large areas around machinery
– Large holes allow dirt and debris to fall through, keeping it trapped
– UV-resistant, this mat is designed to withstand industrial use over a long period
– Ideal for use in wet industrial areas, walkways, bars, ski areas, and entrances

Colour	Black
Dimensions	100cm W x 150cm L
Recycled Content	50% Post-Consumer Recycled Rubber
Sold as	1 each
Weight	15 kg
Composition	Rubber mix, including >50% recycled material
