

## Ringmat Octomat

FLME450 100cm x 150cm

Extremely tough rubber matting for outdoor use that provides excellent rigidity due to its solid cellular construction.

- Suitable for heavy foot traffic areas, for loose lay placement or recess frames, indoors or outdoors
- Straight edge product design allows the mats to be joined together to cover large areas
- Raised surface design ensures grip in wet conditions while scraping away dirt and debris
- Economical 22mm H rubber duckboard matting, offering comfort and safety
- Straight edges allow mats to be joined in both directions using connectors (sold separately), to cover large areas around machinery
- Large holes allow dirt and debris to fall through, keeping it trapped
- UV-resistant, this mat is designed to withstand industrial use over a long period
- Ideal for use in wet industrial areas, walkways, bars, ski areas, and entrances
