

Smokers Cease-Fire® Cigarette Butt Receptacle

CAN237 42cm x 98cm

Outfit your facility with cigarette receptacles that are safer and more attractive than messy, sand-filled buckets.

- High-density polyethylene with flame-retardant additive provides all-weather durability and won't leave behind rust rings
- Attractive receptacle helps create a clean, professional appearance
- Oxygen-restricting design quickly extinguishes cigarettes to prevent smoldering and reduce the risk of fire
- Enclosed design keeps waste in and water out
- Easy-open lid and removable galvanised steel pail liner are easy to clean
- Broad base helps prevent tipping
- Tie-down notches add security against theft and severe weather
