

Sontara EC® Green Wipes

WIPE1007 Z-Fold Box, 33cm x 42cm, 300 wipes

A compostable, cellulose version of our highest performing Sontara EC® wipes is now available – introducing Sontara EC® Green Wipes.

- 100% renewably sourced, Sontara EC® Green is a cellulosic based wipe produced with proprietary Sontara® technology; an excellent alternative to non-compostable substrates
- This highly absorbent wipe offers exceptional critical cleaning power with water, oil and solvents to quickly wipe surfaces dry, while being environmental responsible
- Ultra-pure production process protects the material from binders, chemicals and silicone; Sontara EC® Green is also Food contact safe
- These tough, durable, high strength Wipes can be reused over and over, wet or dry
- Low-linting Sontara EC® Green wipes are ideal for a wide range of applications including aviation, manufacturing, painting, auto and machinery repair, printing, graphic arts and much more
- Convenient dispenser box keeps wipes organised and clean
