

Sontara EC® Wipes

WIPE1000 Flat Sheet, 30cm x 30cm, 1000 wipes

Engineered specifically for wiping, Sontara EC® is a tough, durable, low-lint wipe material that is abrasion and solvent resistant

– Tough, durable Wipes can be reused over and over, wet or dry; wash easily
– Highly absorbent material takes in up to four times its weight in water, oil or solvents; works fast to quickly wipe surfaces dry
– Soft, low-linting Wipes leave surfaces truly clean; contains no additives or binders that can contaminate surfaces making these ideal for polishing and finishing
– Solvent-resistant fabric stands up to MEK, isopropyl alcohol and other solvents or cleaning agents
– Cleans efficiently with fewer wipes per task: Sontara EC® saves money by lasting longer
– Consistent size and quality mean you'll always get what you expect; every Wipe is usable
– Sontara EC® wipes are ideal for a wide range of applications including aviation, manufacturing, painting, auto and machinery repair, printing, graphic arts and much more
– Large, flat format with no folds or creases; dispenser box and poly wraps (10 per box) keep Wipes organised and clean
