

Sontara EC® Wipes

WIPE1002 Pop-Up Box, 42cm x 50cm, 250 wipes

Engineered specifically for wiping, Sontara EC® is a tough, durable, low-lint wipe material that is abrasion and solvent resistant

- Tough, durable Wipes can be reused over and over, wet or dry; wash easily
- Highly absorbent material takes in up to four times its weight in water, oil or solvents; works fast to quickly wipe surfaces dry
- Soft, low-linting Wipes leave surfaces truly clean; contains no additives or binders that can contaminate surfaces making these ideal for polishing and finishing
- Solvent-resistant fabric stands up to MEK, isopropyl alcohol and other solvents or cleaning agents
- Cleans efficiently with fewer wipes per task: Sontara EC® saves money by lasting longer
- Consistent size and quality mean you'll always get what you expect; every Wipe is usable
- Sontara EC® wipes are ideal for a wide range of applications including aviation, manufacturing, painting, auto and machinery repair, printing, graphic arts and much more
- Twin-sided dispenser box has handle for easy portability; keeps large, Z-folded Wipes compact, organised and clean
