

Spill-Kit Station Sign

SGN566 1 each

Clearly mark the location of spill kits and spill response equipment to help make responding faster and easier.

- Bright colours and easy-to-read legends help ensure safety and facility compliance
- Even from a distance, helps indicate the location of spill kits and supplies that may be obscured in their immediate area
- Available in two sizes and three compositions to suit your use and budget
- Long-lasting, pre-drilled aluminium signs offer superior resistance to abrasion, chemicals, weather, splashes and washdowns
- Indoors or sheltered outdoors, plastic pre-drilled signs are an economical choice for light-duty or temporary use on flat or slightly-curved surfaces
- Indoors or out, Dura-Vinyl material provides exceptional flexibility and performance and features high-gloss film to resist UV rays, water, chemicals and abrasion
- Keep your facility looking professional whilst providing clear safety information
