

# Spill Station Cart with Roll Dispenser

PAKE262 72.5cm x 65cm x 152cm, 1 - Non-Adjustable Shelf

The Spill Station Cart is ideal for use as a central store for your spill response absorbents, or as a mobile workstation for tool and equipment storage.

- Lockable door provides secure internal storage area for absorbents, or containers, machine parts, tools and fixings
- Convenient slotted opening on the inside of the door for storage of gloves or manuals
- Two level internal storage with removable tray shelf
- Hinged lid opening features a roll holder suitable for absorbent rolls, paper towels or wipes, accommodates rolls up to 48cm Dia x 52cm W
- Fitted with 4 wheels (2 x 20cm rear fixed rubber castors, 2 x 10cm front rubber swivel brake castors), the cart is lightweight and easy to manoeuvre
- Front swivel wheels are lockable to keep the cart stationary if required
- Made from polyethylene, it's strong, durable, has good impact resistance, and is easy to clean
