

Spill Station Sign

SGN303 38cm x 20cm, Frameless Sign, 1 each

3D wall signs make emergency spill kits easy to find from any angle. Faster to find means faster to respond.

– Protrudes from wall for higher visibility; helps workers find supplies quickly and respond to spills effectively
– Even from a distance, helps indicate the location of spill kits and supplies that may be obscured in their immediate area
– Highly-visible with high-contrast message on both sides
– Keep your facility looking professional whilst providing clear safety information
