

SPILLBLOCKER® Dike Carrying Case

PLR284 For SPILLBLOCKER® Dike

Store and transport your Original SpillBlocker Dike in this durable, convenient carrying case.

– Sturdy HDPE carrying case protects your PIG Original SpillBlocker Dike (PLRE204, sold separately)
– Ergonomic carry handle for easy transportation; also allows case to be hung from wall near spill-prone areas (mounting hardware not included)
– Integrated spiral design prevents SpillBlocker from sticking to itself
– Low-profile 10cm case can be stored flat in short spaces; also stands on its base
– Clearly labeled for quick identification and response
