

Tight Head Poly Drum

DRME302 60 L, 1 each

UN-approved Poly Drum resists a wide variety of chemicals.

- UN-approved Drums meet storing and shipping requirements
- Drums are constructed of heavy-duty, food-grade polyethylene — reusable, reconditionable, recyclable and chemical-resistant
- One threaded 2” Trisure Buttress M56x4 Thread bung allows a tap or pump to be attached to drum
- Ideal for volume packing of chemicals, coatings, adhesives and foodstuffs
- Two fold-flat carry handles on side of drum make it easier to reposition and transport
