

Tight Head Steel Drum

DRME312 210 L

Tough, UN Rated drums are made for hazardous materials, so you can rely on them to deliver safety and compliance.

- UN Rated and tested to help ensure safe shipping of hazardous materials
- Tight-head design is equipped with internally threaded 2" and 3/4" tri-sure bungs for a tap, pump, fill gauge or venting device
- 1mm (20-gauge) steel construction with twin body beads ensure strength, durability and long life
- Internal lacquer coating adds resistance to rusting from use with water-based liquids
- Ideal for the storage and transfer of foodstuffs, flavourings and essences
