

Tote-N-Stor® Portable Wastewater Tank

TLS683 22.7 L, 30cm x 51cm x 20cm

Easy to move even when it's full, this light-weight but durable tank is ideal for capturing liquid from your PIG® Leak Diverter.

- Captures liquid to minimise the possibility of slippery, dangerous spills
- Blow-molded polyethylene construction is light-weight and won't rust or corrode
- Features 3/4" hose fitting to accommodate a standard hose and 3" port for easy draining
- Low profile fits into tight spaces
- Ideal for capturing liquid that channels out of your PIG® Leak Diverter
- Molded-in handle for easy carrying
