

Tough Lock Modular Tile Bevelled Corner Edge

FLME212 Universal Joiners, 8.5cm x 58.5cm x 7mm, 4 each

Create a bevelled corner edge on your Tough Lock Modular flooring to help minimise tripping hazards. Bevelled Corner Edge snaps into place to create a smooth transition from floor to tile.

- Adds a bevelled edge for a finished look and to help prevent trips and falls
- Snaps into place at corner of your layout; no floor preparation or adhesive required
- 100% post-industrial recycled PVC is durable enough to withstand repeated foot and vehicle traffic, even most forklift truck use

Specifications
