

Tyvek® Boot Covers

KAP0037 White

These Covers slide conveniently over your boots to help keep you safe from chemicals and slips. Non-permeable Tyvek® fabric with anti-static treatment offers Type 5 and 6 protection whilst the anti-slip sole maximises your footing on wet surfaces.

- Easy-to-wear Covers slip quickly over existing footwear; disposable after use for greater convenience
- Elastic on top and ankle keeps liquids or particles out and ensures a secure fit
- High-density polyethylene Tyvek® fabric safeguards feet from spilled and puddled chemicals; durable material won't rip or tear under normal use
- Anti-slip sole provides an extra degree of traction to help prevent slip-and-fall injuries
- Anti-static treatment offers Type 5 and Type 6 protection
- Versatile Covers can also be worn to avoid transferring dirt and grime from work boots to clean surfaces
