

Unimat Workplace Mat

FLME250 For Wet Applications, 100cm x 5m x 10mm

Heavy-duty anti-fatigue matting for wet areas, a versatile rubber runner.

- Recommended for heavy duty use in wet industrial environments, suitable for frequent water or mild chemical spills
- Raised anti-slip textured surface with holes to allow drainage to help prevent slipping in wet areas
- Mat is easy to roll up and move to a new location, or for cleaning (using a hose or pressure washer with a mild detergent)
- Resistant to water and most mild acids
- A popular choice for the hospitality industry, such as bars, event caterers and serving areas
