Wall-Mount Hook for PIG® Spill Kit

BKT214 For PIG® Spill Kits w/Handles

Hang any PIG Spill Kit with handles or straps so you can find it in a hurry.

– Increase spill kit visibility for faster response and establish a specific location to store your kit
– Durable steel hook mounts on any surface (hardware not included) and accepts most PIG Spill Kits with handles or straps
– Like fire extinguishers, wall-mounted spill kits can build awareness of where to find response tools in the event of an emergency
– Use with spill kit signage, reflective tape and floor labels to create a highly visible spill kit location (all sold separately)
