

# Wall-Mount Retractable Belt Barrier

PLSL221 6.3cm x 16cm

Control pedestrian traffic in an instant with a Wall-Mounted Retractable Belt Barrier.

- Wall-mounted design reduces floor clutter and knock-over risk
- Retractable tension belt creates an instant barrier that is easy to set up and take down for restricting access or indoor pedestrian control
- Tape retracts slowly into cassette to minimise snap-back danger to workers or visitors
- Durable and compact 16cm H powder-coated steel wall-mounting cassette includes fixing screws; Matt Black colour hides grime
- Tension belt receiving bracket is included; belt simply slots into the receiving bracket for a secure connection (bracket should be fixed to opposite wall)

## Specifications

|             |  |
|-------------|--|
| Dimensions  | ext. dia. 6.3cm x 16cm H                     |
| Sold as     | 1 each                                       |
| Weight      | 0.9 kg                                       |
