

# Weatherproof Unikart Spill Kit

KITE364 Absorbs up to 69.1 L, 1 each

This hi-viz, low-cost CONNECT Weatherproof Spill Kit is perfect for outdoor storage and everyday spill response.

- Packed with a selection of chemical socks, mat pads and pillows to help efficiently manage, contain and absorb small-to-medium-sized spills of nearly any type of caustic, hazardous or unknown liquid, including acids, bases, solvents and chemicals
- Sturdy, weather-resistant polyethylene container helps protect contents from contamination and moisture during storage to ensure maximum product performance in use
- Brightly coloured, compact container is highly visible, making it easy to identify during spill emergencies, and small enough to easily fit through standard doorways
- Easy to open latched lid provides quick access to absorbents during spill response
- Moulded-in handles and robust rubber wheels enable kit to be easily transported to spill site
