

WYPALL® Cleaning Wipes

WIPL7775 Centre-Pull Roll, 90 wipes

Powerful, waterless cleaning wipes for use on hands, tools and machinery offer effective cleaning for people on the move.

- Powerful d-limonene-free formulation provides solvent-free removal of soiling with ease
- Combination of moisturising lotion with specially designed fabric ensures that hands are left feeling clean and cared for
- 3-layer technology is tough on grime but easy on skin; textured surface and cleaning agent efficiently break down and dissolve stubborn dirt and grime, absorbent layer soaks up and holds dirt to prevent it from returning to hands and smooth surface cleans off any remaining dirt whilst leaving skin coated with moisturisers
- Large portable bucket helps ensure Wipers are in stock and available for use anywhere at anytime
- Pre-moistened to effectively remove oil, grease, and grime from hands, machines and tools anywhere; ideal for manufacturing, engineering, maintenance, transport and service industries
- Tackle stubborn grease and grime in one easy step; no need for gels, rags, soap or water
